

GENERAL TERMS OF COOPERATION

- Orders placed by 12:00 PM are processed on the same day.
- Two payment methods are available for all orders: cash on delivery or bank transfer. Electronic payment via PayU is also available.
- Orders must be placed via the dedicated Online Ordering System on www.gardenparts.pl.
- The Online Ordering System operates on an "open shopping cart" model, which means that logging out does not result in the loss of its contents. You can conveniently compile your orders over several consecutive days.
- Our offer is intended exclusively for professional service companies and businesses in the gardening, forestry, and construction equipment industry. Therefore, before starting cooperation, it is necessary to complete a short registration form on www.gardenparts.pl. The discount level is directly dependent on the achieved turnover, according to the tiers shown below:

Fixed turnover discount

Discounts do not apply to Briggs & Stratton original parts or other products explicitly marked as excluded from discounting.

Discounts are granted upon reaching the respective turnover thresholds. The discount level achieved in a given calendar year is carried over to the following year as the starting discount.

Turnover includes total sales achieved across the entire product range, including the value of pre-season orders. You can view your current discount during the purchasing process in the shopping cart.
